

PLANNED POWER OUTAGE FOR THE SPRINGFIELD STATE OFFICE BLDG.

436 DWIGHT ST., SPRINGFIELD, MA

FRIDAY, NOVEMBER 7, 2014, COMMENCING AT 4:00 PM

.....

RE: THE MASSACHUSETTS DEPT. OF INDUSTRIAL ACCIDENTS

As part of the ongoing HVAC renovation project of the entire Springfield State Office Building at 436 Dwight St. in Springfield, DCAMM, in conjunction with the contractors involved, will be shutting off all power to and in the building this Friday afternoon, November 7th.

Starting at 4:00 pm sharp, IT and telecommunications personnel will begin shutting down all systems, so that everything will be completely powered down by 4:30 pm. In the interests of safety, all staff must be out of the building by 4:30 pm, and all power to the building will be completely cut off by 5:00 pm. It is anticipated that power will be restored at approximately 10:00 pm Friday night.

EOLWD IT and telecommunications staff will be on site on Saturday morning, November 8th by 9:30 am to “power up” all voice and data systems, and to test everything to make sure that we will be fully operational on Monday morning, November 10th.

THE SPRINGFIELD DIA WILL CLOSE AT 4:00 PM THIS FRIDAY, NOVEMBER 7, 2014.

We apologize for any inconvenience this may cause.

Marc E. Joyce

DIA Senior Regional Services Manager
